Aerie Worthy President's Message

Fellow Eagles,

We will be phasing out the mailing of monthly newsletters. Like everything else, cost is going up. We currently have three ways for members to access the newsletter. You can get it on the Skagit Valley Eagles web page; www.skagitvalleyeagles.org, on our Facebook page or have it emailed to you. We will also have about 75 newsletters printed and at the Aerie. All we need your email address. Please email the Newsletter Chairman Rhonda Worley at rhonda@worley.ws with the message "Sign me Up", or fill out the form on the next page and turn it in at the club and it will forward it on to her.

We will continue to mail newsletters for May, June and July. No newsletters will be mailed after July.

Have a safe day.

Matt Tonkovich

Train BBQ for Sale

The Aerie is selling the train BBQ. It will be done by sealed bid with a minimum \$500 bid. Put your name, phone number and bid in a sealed envelope with train written on front of the envelope. Give the sealed bids to the bar and the trustees will collect them. The Trustees will open the bids on May 26 with the winner being announced at the Aerie meeting that night. If a tie, the names will be put in a jar and the Worthy Conductor will pull the winning name. Proceeds will go for a new BBQ grill for the beer garden.

Highway Clean-up Saturday May 14th 9:00 AM

It has been awhile since we have been able to do highway clean-up due to CoVid. We asking for extra Volunteers as it could be quite the mess out there. Any new volunteers will be required to watch a short video prior to the day of the event and must sign a roster sheet the morning of the event before we leave the club. Expect to be out for approximately 3 hours. If you have grabber tools you can bring, please do. You may also want to wear work gloves and boots. We have a few extra for those that need them. The club provides hard hats, vests, bags, etc. Contact Jim Schmidt by calling or text to 360-840-8012, as he is the lead for this event.

BERRY DAIRY DAYS are BACK! We have secured out position for the parade this year. The planning is in the works for a fun day of outside festivities with music, food, fun games and more. We will be putting together a committee. We will need volunteers for food prep and cooking after the parade. Servers, set up/tear down teams and a parade committee. Let's all put our heads together and make this Berry Dairy Days the best! Cheers, Michelle
